Bumper Car

Bumper Car

Standard Features:

- Paint Incorporated into Fiberglass Body
- Extractable Headrest
- Protected Electrical Circuitry
- Hot Dip Galvanized Steel Frame
- Clutchless Electric Drive Motor, Patented)

It reduces the mental age of the whole family to that of the smallest member. They bully each other while driving and expand the war mission with wicked grin. It is such a fun to drive indiscriminately from left to right. Face to face with the adversary only the brave one wins.

Come on!
